High School

Qemal Stafa High-School

2022 - 2025

B.Sc Computer Science

(Studying)

Jacobs University Bremen

LANGUAGE

• Albanian

• English

• Italian

• German

MY ROAD UNTIL NOW...

My story with programming started when I was a kid at the age of 10 and started thinking about how could I get the games I wanted to play but could not afford. That is how I started looking for ways to get what I wanted and was introduced to hacking and the programming world.

WORK EXPERIENCE

Sales Associate

2017 - 2018

Mobile Arena
